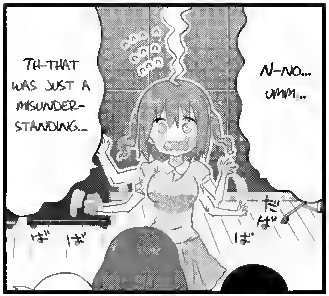
We came to visit!
Good afternoon!
Did it not cross your mind that she might not be home?
GOOD AFTER-NOON!
Right, you haven't been there yet, Kei-chan.
Sound proof room!?
Kon's dad's soundproof room.
What?
Where?
Ah, you're right
Ah!! Since it's summer she's probably there, don't ya think?

You were right
Ah, there she is!
What!? A guitar!?
!
Are you participating in the festival?
I'm going to be in a band.
A band!?
Are ya practicin for the festival? Can't ya hang out with us?
Nana
Kei
Mitsu

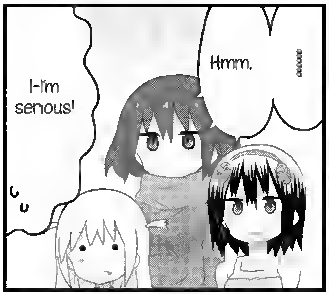
We can hang out while you practice.
This is the first time I've been in a soundproof room
When we first came here a long time ago Kon's dad got really angry
Ahh, that brings back memories
Nana I'd like you to help me with something.
Me? Sure What do you need?
When did that happen?
When we were in elementary
ばっ
Nana
Hm? What is it?

WHA-
WHAAAT?
きゅうう...
K-Kon-chan, what's wrong?
I don't really get it
WE'RE THE ONES WHO DON'T GET YOU!
Love...
I want to know what it feel like when you're in love
Ahh... So you're singing a love song.
What?
Since Nana was hugging that guy back in Tokyo I figured...



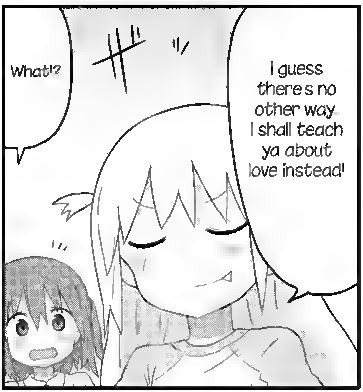
TH-THAT WAS JUST A MISUNDER-STANDING...
N-NO... UHHH...

!!



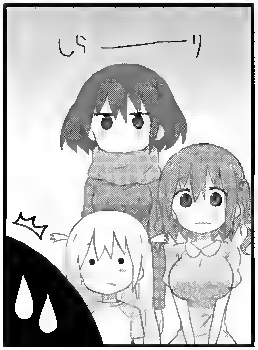
I-I'm serious!
Hmm.

What? Really!?
I have!
Mitsuyo-san.. Have you ever been in love?
First time I heard that.

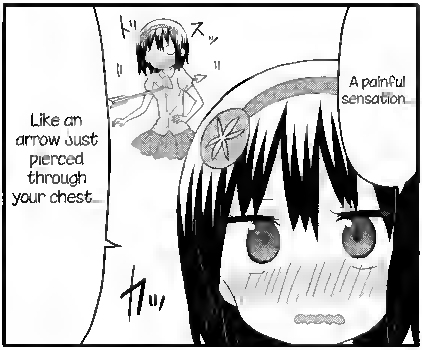


What!?
I guess there's no other way. I shall teach ya about love instead!

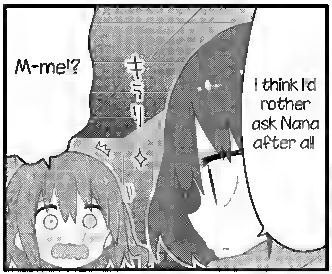
Huh!?
Mi-chan you would die from that!
What kind of setting is that?
Havin electricity run through yer entire body!
ビビビビ～～
Love is like...
It's not a lie! Im tellin' the truth!
かぁぁ～っ
Mitsuyo-san, at least make up better lies than that
True that..
But you're still alive.
Hm serious! It really feels like yere being shocked.
Love is like...
コホン
What!?
がしな～っ!!
Then ya go ahead and teach us what love is like!



しーーーり



ドスッ
A painful sensation...
Like an arrow just pierced through your chest...
ｶﾅ



M-me!?
I think I'd rather ask Nana after all

I-I'm serious! It really hurts!
But you're still alive
I know I am but..!

If I had to say something
Uu
Yeah?

But I'm not really sure...
If you had to say one thing
Yeah! Imagine ye're bein threatened!
Anything is fine Nana-san!

フワ
It feels like you're floating through the clouds...
Something like that?
Love is like this soft sensation

What!? No it doesn't!
That sounds somewhat convincing!

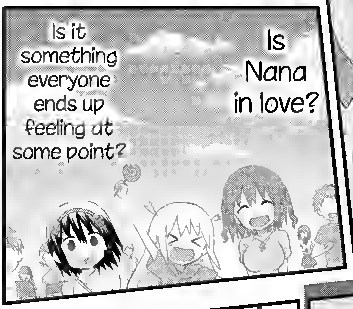
.....
がぁい

A ROUND OF APPLAUSE FOR THE O.N-SANS!
PERFORMED FOR YOU BY THESE OLD MEN WHO HAVE BEEN PRACTICING IN-BETWEEN THEIR JOBS
ハアアーーーッ

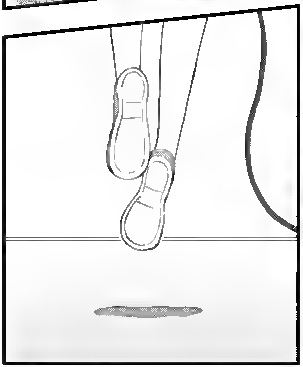
IT'S NOW TIME FOR TODAY'S MAIN EVENT THE CONCERT!
ガヤ
ガヤ
On the day of the festival
ふれあいぽっ

She really is cute
Ohh! It's Kon-chan!
ONE OF THEM DAUGHTERS IS ALSO PLAYING THE GUITAR TODAY!
So it was just a bunch of old men in a band...
Hang in there, Kon's dad!
Hang in there!
Do your best!
I didn't expect Kon-san to be able to play the guitar...
What are you eating?
A rolled sausage.
Hmm? I haven't really seen her play much either.
How many did you buy
Me neither. She says she doesn't like being watched.
I'm not really sure but maybe she's embarrassed? It's a band full of old men after all
ボン
ギュ

What does love feel like?

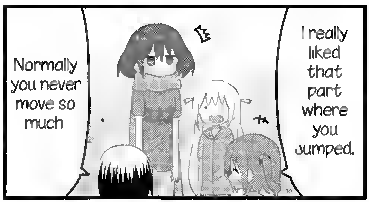


Is Nana in love?
Is it something everyone ends up feeling at some point?



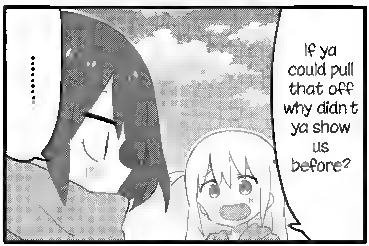
Love is like this soft sensation...
It feels like you're floating through the clouds...

When will I discover what it feels like...
I wonder...



Normally you never move so much
I really liked that part where you jumped.

Kon-chan, you're amazing!
Kon, ya were so cool!
That really surprised me, Kon-san!
...



If ya could pull that off why didn't ya show us before?
